**CORRECTION OF INVENTORSHIP**

**IN A PATENT APPLICATION UNDER 37 CFR 1.48 (b)**

Sir:

In response to the Non-Final Office Action dated May 31, 2007, please consider the following:

After applicants' amendment to claims 1-24, in applicants' Response dated 05-23-2003 (in response to Office Action dated 02-28-2003) claims 1-20 and 22-24 were rejected under 35 USC 102 (e) as anticipated by US 5,804,100. In the Office Action dated 02-28-2003, claim 21 was withdrawn from consideration. Claim 21 was added to the rejection over US 5,804,100 in the Office Action dated 07-28-2004. In the most recent Office Action dated 05-31-2007 to which this paper responds claims 1-24 have been rejected over US 5,804,100 as anticipated under 35 USC 102 (e). The present application is a continuation-in-part of US 5,804,100, see the claim of priority at page 2 of applicants' response dated 04-06-2004.

The named inventorship of US 5,804,100 are Marie Angelopoulos and Bruce K. Furman.

Serial No. 09/727,615

Docket No. YOR919960050US3

The currently named inventors of the present application are Marie Angelopoulos, Bruce K. Furman, Yun-Hsin Liao and Ravi F. Saraf.

The inventorship of the current application is amended to remove Yun-Hsin Liao and Ravi F. Saraf so that the inventorship of the present application will be Marie Angelopoulos and Bruce K. Furman.

The need for this change in inventorship results from the amendment to the claims in the response dated 05-23-2003, as described above, which makes clear that the contributions of the deleted inventors are no longer being claimed.

This request for an amendment to the inventorship under 37 CFR 1.48(b) is proper.

The undersigned attorney has authority under 37 CFR 1.33(b) to submit this paper.
